The above-listed SanDisk Cruzer devices are not in the possession of Skyryse, based on our investigation to date, and Skyryse does not know the universe of documents or information contained on those devices. Skyryse's investigation into the interactions between Skyryse employees and the SanDisk Cruzer devices is ongoing.

Litigation Hold. Skyryse issued a litigation hold notice on March 9, 2022 to the below-listed employees. Skyryse issued another litigation hold notice on April 21, 2022 to all employees.

"[W]e are continuing to investigate the issues we have identified"

"[O]ur investigation is ongoing"

"... the answers provided at this stage may be subject to change."

"Moog information may have been accessed ... primarily via ... personal USB devices held by Alin Pilkington and Misook Kim"

"Skyryse's investigation into the interactions between Skyryse employees and the SanDisk Cruzer devices is ongoing."

No admissions, no conclusions.

C1DD6J3	3/24/22 6:30 PM	E:\; Misook	EC979D10

Moog demands 1 USB device:

- "55D28G65" - IT Department's device to set up laptops – irrelevant

Other:

- "EC979D10" - image already produced in entirety
- "80FC319F" – already produced to iDS by Kim and Skyrse provided relevant laptop connection histories – no need for entire laptops
- "SanDisk" Cruzer = Not Skyrse's property; subject of third party discovery
